Remote control for Edifier R1380DB

Ref: 5906168433207

Remote Control for Edifier R1380DB

Adjust the operation of your Edifier R1380DB without getting up from the couch. The remote control allows you to conveniently power on/off the speakers, skip tracks, adjust the volume, pause/resume playback, or mute the system entirely. Additionally, you can select the audio source - you have Line1, Line2, COAX, OPT, and Bluetooth options available.
