

Ładowarka sieciowa 65W DJI Mavic 3

Ładowarka sieciowa 65W DJI Mavic 3

Ref: 6941565922908

65W DJI Mavic 3 mains charger

The DJI mains charger is distinguished by its power of up to 65W and is equipped with 3 ports (2x USB-C, 1x USB-A), allowing you to charge your drone's battery and remote controller at the same time. You can also use it to charge other devices, such as a smartphone or laptop. What's more, GaN technology has made it possible to significantly increase the performance of the product, while reducing its size - storing or transporting it won't be a problem for you. The charger also supports such fast charging standards as PPS and PD. You don't have to wait too long until your equipment is ready to work again!

Brand

DJI

Name

DJI 65W Portable Charger

Input voltage

100-240 V, 2 A, 50/60 Hz

USB-C output

5 V, 5 A;

9 V, 5 A;
