Rockbros leather bicycle handles 40210003001

Do you like to ride a bicycle? Equip yourself with practical Rockbros bike handles, which will give you maximum comfort while riding. They are made of microfiber leather, are pleasant to the touch and guarantee a stable grip. They are distinguished by their universal size, so you can easily mount them on many bikes with handlebars with a diameter of 32.6 to 35 mm.

Solid workmanship

Rockbros bike handles are made of high-quality materials, so they provide a comfortable ride and will serve you for a long time. The leather microfiber is pleasant to the touch, and the aluminum rings placed on the side ensure that no rain or dust will get inside.

Perfect for long trips

The grips will provide you with comfort while cycling and make even a long trip nice and pleasant. Thanks to them you will gain good cushioning and full control over the handlebars, an additional advantage is the wide compatibility - the grips fit BMX, children's, mountain or road bikes. You can easily mount them on handlebars with a diameter of 32,6 to 35 mm.
