Cycling Face mask Rockbros LF7345BK (Black)

Rockbros face mask, for cycling LF7345BK (black)

An insulated face mask that is perfect for cycling, running, skiing and other outdoor activities. It effectively protects the face and neck from the cold and is also very soft and comfortable. It is made of durable and stretchy materials with high elasticity.

Perfect protection against the cold

Do you lead an active lifestyle? Do you spend a lot of time outdoors? The Rockbros face mask provides you with reliable protection against the cold, wind and sun! It is insulated on the inside with micro-fleece - great for cycling or skiing. The mask covers your face and mouth, but you can tilt it back at any time. It is also very comfortable and fits great.

Top-quality workmanship

The mask is made of durable, flexible materials. It is extremely durable, stretchy and resistant to damage. It stands out for its universal size, which means that almost everyone can use it comfortably. What's more, there is a reflective brand logo on the side of the face mask.
