

Bicycle cap Rockbros YPP044 (Black)

Bicycle cap Rockbros YPP044 (Black)

Ref: 5905316146181

Rockbros under-helmet cycling cap YPP044 (black)

The Rockbros under-helmet cycling cap perfectly protects your ears from freezing. It was created for training in low temperatures - it provides effective protection against wind and cold. The cap is lined with soft and warm fleece on the inside. Thanks to the use of elastic material, it fits perfectly to the head, at the same time ensuring dreamlike comfort while cycling or skiing.
