Cycling trousers, size: XL Rockbros RKCK00012XL

Ensure your comfort during sporting activities and opt for the Rockbros trousers. The product is windproof and waterproof and stands out for its high level of comfort. The polyester/elastane blend makes the trousers quick-drying, lightweight and breathable enough to keep you warm on hot days. The elasticated waistband ensures complete comfort when cycling, and the adjustable Velcro waistband will keep cool wind out. The trousers have zipped pockets to safely store important small items, as well as reflectors to make you visible to drivers after dark. The Rockbros trousers are also great for a range of activities, such as hiking and running.

For all seasons

In the Rockbros trousers you will be comfortable in all conditions! The upper part of the fabric is waterproof and windproof, while the interior is breathable and quick-drying. This will keep you thermally comfortable, so you don't have to worry about overheating or being bothered by cold wind. Conquer more peaks and don't let the weather limit you!

Comfortable in every way

The trousers feature an elasticated waistband and a generous mix of elastane, so you can enjoy freedom of movement whatever your chosen activity. What's more, there are adjustable Velcro straps at the bottom of the legs to prevent cold wind from getting up your legs. This also means you don't have to worry about the legs getting caught in your bike chain.

#### Useful details

The RKCK00012 has two side zipped pockets. They are quite roomy, so you can easily store, among other things, your phone and keys in them without worrying about losing them during your running training. In addition, the trousers have 4 reflective strips to make you visible to drivers and other cyclists after dark.
