Mini Pliers 5" Deli Tools EDL20026 (yellow)

Ref: 6974173011696

Deli mini pliers EDL20026

Deli universal pliers EDL20026 is a useful tool not only in the workshop, but also in the essentials of every DIY enthusiast. They are suitable for cutting wire ties, electrical cables and wires made of even hard metals. They are also used for holding parts, shaping and crushing, among other things. They are made from high-grade carbon steel, which guarantees their strength and reliability. Thanks to their sophisticated design, they open smoothly and provide comfort in use. Ergonomic handles make working with the product extremely comfortable.
