Remax Suji Pro Micro USB cable, 1m (white)

The Micro Remax Suji Pro cable uses 2.4A, so it will allow you to quickly renew your device's power. You will also use it to transfer files at 480 Mbps. What's more, the use of PVC plastic translates into the product's durability and resistance to wear and tear. In turn, the smart chip is responsible for stable charging, protecting your equipment from damage.
