

Foldable Magnetic Car Phone Mount Joyroom (silver)

Ref: 6956116799021

Foldable Magnetic Car Phone Mount Joyroom (silver)

Foldable Magnetic Car Phone Mount Joyroom (silver)

The Joyroom JR-ZS373 holder allows you to comfortably use navigation and keep your phone within reach during your travels. It is equipped with 16 strong N52 magnets that provide stability and safety for your smartphone, even when driving on bumpy roads. You don't need to remove the device from its case either. The holder is made of high-quality zinc alloy, making it durable and resistant to damage. The accessory also stands out with its foldable design - its robust mechanism ensures high durability. You can freely position your phone horizontally or vertically. The holder should be mounted on the dashboard and is compatible with Tesla 3 / Y / X / S.
