Earphones Joyroom Funpods JR-FB2 Wireless (black)

Joyroom Funpods JR-FB2 Wireless Earphones (Black)

Create your own musical world with Joyroom. Funpods JR-FB2 earphones provide exceptional sound quality and a stable Bluetooth 5.3 connection. They also offer up to 35 hours of playback time and, thanks to their lightweight design, ensure long-lasting comfort during use. Low latency ensures perfect synchronization of audio and video. An additional advantage is the IP54 protection rating.

Latest Bluetooth Technology

Joyroom Funpods JR-FB2 earphones utilize the latest Bluetooth 5.3 technology, providing fast and stable connectivity. This allows you to enjoy music without interruptions even up to 10 meters away from your device. Quick and automatic pairing upon opening the case guarantees instant access to your favorite tracks.

Outstanding Sound Quality

The use of advanced AAC and SBC audio codecs ensures exceptional sound quality. A wide frequency range from 20Hz to 20kHz delivers rich and detailed sound, making every note of your favorite music sound exceptional. Additionally, Joyroom Funpods JR-FB2 earphones offer the Dual-EQ function, allowing you to customize the sound to your individual preferences – choose Bass Boost to emphasize low tones or Classic to enjoy the full spectrum of sound.

Perfect Audio and Video Synchronization

If you're a gaming enthusiast, Funpods JR-FB2 earphones will undoubtedly enhance your gaming experience. With a low latency of only 65 ms, you can enjoy perfect synchronization of sound and video, achieving a higher level of immersion. With Joyroom, you'll play without interruptions!

Seamless Communication

Joyroom Funpods JR-FB2 earphones provide excellent call quality. Thanks to DNS noise reduction technology, they effectively eliminate any audio interference, allowing for crystal-clear calls in any location.

Long Playback Time and Fast Charging

A single charge allows you to listen to music on Joyroom Funpods JR-FB2 earphones for up to 7 hours. The included charging case extends this time to 35 hours. Thanks to fast charging, 10 minutes of recharging provides an additional hour of playback, which will be greatly appreciated by users leading a dynamic lifestyle. To fully recharge the device, it takes about one and a half hours.

User-Friendly Design

The weight of each earphone does not exceed 4 grams, allowing you to enjoy your desired comfort even during long evenings with your favorite tunes. The refined, ergonomic design ensures that the equipment stays securely in your ears, regardless of your activity. Additionally, with an IP54 protection rating, the earphones are resistant to rain and sweat, so you can use them freely during workouts or outdoor activities. The silicone case is also equipped with a practical carabiner, allowing you to attach the equipment to your backpack or keys.

Wide Compatibility

Joyroom Funpods JR-FB2 earphones are compatible with devices running on Android, iOS, and Windows systems. As a result, you can easily connect them to various devices.
