Protective phone case Joyroom JR-15Q1 for iPhone 15 (transparent)

Joyroom JR-15Q1 Protective Case for iPhone 15 (Transparent)

Do you often drop your phone? Be prepared for such incidents with Joyroom! This protective case is designed for the iPhone 15 and stands out with its galvanized coating that is resistant to corrosion and scratches. Thanks to its refined design, this accessory doesn't block access to the device's buttons and ports. Moreover, it provides protection against drops and shocks, and the built-in lens cover further enhances the smartphone's safety.
