Magnetic Protective Case Joyroom JR-BP007 for iPhone 15 Pro Max (Grey)

The Baseus case provides comprehensive protection for your Apple phone. It is made from a durable combination of TPU, PC, and PU materials, thus guaranteeing full safety by protecting every corner of your phone. The grey color adds a touch of modernity and elegance, making it look exceptionally stylish.

Innovative Design

This case not only protects your phone but also ensures ease of use. The independent metal buttons are comfortable to operate, making the phone more user-friendly. Furthermore, the magnetic construction of the case ensures its compatibility with wireless chargers. In addition, the case is impact-resistant and absorbs shocks, protecting your device even in the event of unexpected falls. This is the perfect solution for those who value elegance and reliability in protecting their smartphone.
