Exceptional Durability

The Essager cable has undergone rigorous bending tests over 25,000 times, which means you can use it every day without worry. Whether you're on the go or at home, this cable is ready to handle daily use. Reliability is its middle name.

Optimized Performance

Thanks to the built-in e-marker, the Essager USB-C to USB-C cable can intelligently adjust the current intensity to your device. This means it not only provides stable and fast charging but also protects your device from overloading.

Fast Charging 240W

One of the main advantages of this cable is its ability to support fast charging with a whopping 240W of power. This allows you to charge your devices quickly, saving you valuable time. You don't have to wait any longer to be fully ready to go.

Durable Construction

The Essager cable is made from high-quality aluminum alloy and flexible TPE material, ensuring its durability and resistance to damage. Additionally, its elegant gray color gives it a modern look.

Universal Interface

The Essager USB-C to USB-C 240W 1m (Gray) cable is compatible with USB Type-C to USB Type-C interface, which means it fits many devices. Whether you have a smartphone, tablet, or laptop, this cable will meet your needs.
