APEXEL APL-JJ08 mini table stand (black)

Ref: 5906168430152

APEXEL APL-JJ08 mini table tripod (black).

Looking for an accessory that will elevate your photography or movie-watching experience without taking up too much space? The APEXEL APL-JJ08 mini table tripod is a compact but extremely practical tool that will meet the expectations of even the most demanding users. With the ability to rotate 360 degrees with a universal $\frac{1}{4}$ " thread and its compact dimensions, the APEXEL tripod becomes an indispensable companion for anyone who values quality and versatility, without compromising on mobility.

Swivel head - 360 degrees of freedom

Podstawową zaletą mini statywu APEXEL APL-JJ08 jest jego obrotowa głowica, umożliwiająca obrót telefonu o 360 stopni. Ta funkcja otwiera przed Tobą drzwi do kreatywności, pozwalając na łatwe przełączanie między poziomym a pionowym kadrowaniem zdjęć czy filmów.

Universal $\frac{1}{4}$ " thread - the heart of compatibility

APEXEL APL-JJ08 also stands out thanks to its universal $\frac{1}{4}$ " thread, which is compatible with a wide range of photographic accessories, such as lights, microphones or additional lenses. This feature makes it not just a phone tripod, but a true command center for your photography equipment. Expand the capabilities of your tripod by creating professional setups that will support your creativity every step of the way.

Compact design - always with you

Despite its versatile features, the APEXEL mini tripod retains a compact footprint for easy transport. The tripod's height is just 149mm, making it easy to fit into any bag or backpack, no matter where you go. Its lightweight and compact design makes it an ideal choice for people who are always on the move, but don't want to sacrifice the quality of their photos and videos.
