Budi 350 GaN PD+ QC3.0 160W US/UK/EU Black Wall Charger

Looking for a versatile and efficient wall charger? Introducing the Budi 350, which combines many features to meet your needs. It is compatible with various types of devices and supports fast PD charging. Furthermore, it has a conveniently coiled cable inside, making it an ideal choice for travelers who will also appreciate the various types of adapters included.

Universal Compatibility

The Budi 350 charger is compatible with all types of devices, which means you can charge your smartphones, tablets, laptops, and more without any problems. You don't have to worry whether you are using Apple, Android, or another manufacturer's devices.

Fast PD Charging

Thanks to Power Delivery (PD) fast charging technology, the Budi 350 charger allows you to quickly charge your device. You'll get full power without unnecessary waiting, which is incredibly convenient, especially when you're in a hurry.

Integrated Cable

One of the most practical features of this charger is the coiled cable inside the device. You can extend and retract it as needed, eliminating tangled cables and making it even easier to use the charger.

Adapter Set

This is a real treat for travelers. In the package, you will find adapters for American, British, European, and Australian sockets, which means that no matter where you are in the world, you will always have the right plug for charging.

Powerful Performance

The Budi 350 charger offers an impressive 160W of power, allowing you to quickly charge multiple devices. The Budi 350 wall charger is the perfect combination of universal compatibility, fast charging, a practical cable, adapter set, and powerful performance. With it, you can enjoy easy and efficient charging anywhere in the world.

Package Includes
