

## Expansion Adapter Sunnylife for OSMO Pocket 3

Expansion Adapter Sunnylife for OSMO Pocket 3

Ref: 5906168430350

Expansion Adapter Sunnylife for OSMO Pocket 3

The Sunnylife Expansion Adapter for OSMO Pocket 3 is an essential accessory for every enthusiast of filming and photography. Its versatility, the ability to mount additional accessories, and the convenient extension handle will enhance the quality of your recordings and make them more comfortable to create. Whether you're a professional or a hobbyist, this adapter will meet your expectations and protect your equipment during every adventure.

### Multi-Functional Adapter

This unique adapter not only protects your camera but also offers many other functions. You can easily switch between different situations, using the adapter as a chest strap, backpack clip, neck mount, tripod, car suction cup mount, bike mount, or even a selfie stick. It's a tool that adapts to your needs.

### Easy Mounting of Microphone and Light

The adapter is equipped with a cold shoe interface where you can mount a microphone or a fill light. This enhances the quality of your recordings and ensures clearer audio. It's a perfect solution for filmmakers who prioritize a professional level of production.

### User-Friendly

It not only protects but also enhances the usability of your OSMO Pocket 3. The adapter also functions as a comfortable handle, making it easier to hold the camera and resulting in more stable recordings. Furthermore, the adapter has compact dimensions of 41 × 98 × 34 mm. It not only doesn't hinder the use of the camera but also has soft pads built into the center, effectively protecting the equipment from scratches and shocks.
