Ref: 5906168430305

Phone Holder with Storage Case Sunnlyfe DJI Osmo Pocket 3

Phone Holder with Storage Case Sunnlyfe for DJI Osmo Pocket 3

If you are a user of the Osmo Pocket 3 camera and are looking for a solution that will allow you to make even better use of its potential, then the Sunnlyfe phone holder with a case is an indispensable accessory for you. It offers not only support for horizontal and vertical photography but also many other possibilities that will revolutionize your filming experiences.

### Thoughtful Design

The holder is specially designed to perfectly fit the Osmo Pocket 3 camera. This ensures that your devices operate in full harmony, increasing comfort and efficiency during use. Made of high-quality plastic and silicone, it is durable and resilient.

### Unlimited Creativity

The holder not only holds your phone but also supports shooting both horizontally and vertically. Now you can freely experiment with angles and perspectives, creating amazing shots. If you need to mount a microphone or additional lighting, the holder is ready for this challenge. Thanks to its flexible design, you can easily adjust additional accessories, allowing for even better sound and image quality.

### Customize to Your Needs

The holder can be easily adjusted to different sizes of phones, offering adjustment from 62 to 100 mm. Regardless of your model, the

Sunnylife holder will perform excellently. Moreover, if you need to mount your Osmo Pocket 3 on a tripod or other accessory, the holder has an input for a standard 1/4 inch screw. This means you can freely use various mounting solutions.

#### User Comfort

The Sunnylife holder also serves as a practical box for storing filters or memory cards. This means you always have all the necessary accessories at hand, which facilitates organization during your filming adventures. Additionally, the holder has been carefully designed not to hinder the use of the camera. Whether you are in the field or working in the studio, the holder provides reliable support and ease of handling.
