

Tempered Glass and PET Film Sunnlyfe for Insta360 Ace Pro

Ref: 5905316149762

Tempered Glass and PET Film Sunnlyfe for Insta360 Ace Pro

Tempered Glass and PET Film Sunnlyfe for Insta360 Ace Pro

Ensure the safety of your Insta360 Ace Pro camera. The Sunnlyfe protective kit includes tempered glass for the device's screen and lens, as well as a PET material cover for its secondary display. All accessories are easy to install and guarantee reliable protection against damage. The high hardness tempered glass (9H) effectively shields the camera's screen from scratches or cracks, while also providing resistance to fingerprints, dust, and smudges. It does not compromise the device's user comfort, allowing for convenient touch operation. With a light transmittance of 99%, it ensures clear visuals and vibrant colors.
