Lens Silicone Cover Sunnylife for Insta360 Ace Pro

Lens Silicone Cover Sunnylife for Insta360 Ace Pro

Ensure additional protection for the lens of your Insta360 Ace Pro camera. The dedicated cover from Sunnylife effectively shields it from impacts, scratches, and other types of damage. The accessory fits perfectly to the device's shape and securely stays in place after installation - it won't fall off or become loose. It is made from high-quality silicone, which is durable, environmentally friendly, and pleasant to the touch. The cover also features a special hole that allows you to attach it to, for example, a lanyard.
