Plastic Protective Cover Lens & Screen Sunnylife for DJI Pocket 3

Plastic Protective Cover Lens & Screen Sunnylife for DJI Pocket 3

Want to take better care of your DJI Pocket 3 camera's safety? Use the dedicated lens and display cover from Sunnylife! With it, you can simultaneously protect the gimbal and the device's screen, providing effective defense against impacts, scratches, and dust. The product is straightforward to install and fits perfectly with the DJI Pocket 3 model, allowing you to use it seamlessly with other accessories such as adapters or silicone cases. You also don't need to remove it from the camera during transportation.
