

Cable USB-C to USB-C Toocki TXCTT1- BMH01-B, 1m, PD FC 100W

Ref: 6975600785579

Cable USB-C to USB-C Toocki TXCTT1- BMH01-B, 1m, PD FC 100W (black)

Toocki TXCTT1- BMH01-P USB-C to USB-C cable, 1m, PD, FC 100W (black)

The Toocki TXCTT1-BMH01-P cable is more than just a cable - it's a combination of exceptional quality, innovative design and advanced technology. It is ideal for those who are looking for not only a high-performance, but also a precision-made accessory for their devices. The black color adds a unique touch that will stand out in any environment.

Flexible and durable

This cable, made of durable yet flexible material, is resistant to bending and tangling. As a result, even under heavy use, it maintains its form and function, eliminating the risk of damage typical of standard cables. What's more, the cable's connector has been tested thousands of times, guaranteeing its reliability and long life.

Wide spectrum of applications

The Toocki TXCTT1- BMH01-P cable is designed to handle the charging needs of most devices, meeting your daily requirements. It is an ideal choice for charging phones, tablets, laptops and other devices with USB-C input.

Fast charging and reliable data transmission

The Toocki TXCTT1-BMH01-P supports charging at up to 100W, which means you'll quickly charge your devices when you need it most.

The reinforced tin-plated copper wire core provides better noise immunity and stable data transmission, so Toocki is the ideal solution for users who value their time and productivity at work.

Intelligent chip for secure charging

An advanced chip in the Toocki cable identifies your devices, controls current and voltage, offering a safer way to charge quickly. This ensures that your devices are charged safely and efficiently.
