

### Cable USB-C to USB-C Toocki TXCTT3- LB03, 1m, FC 240W (blue)

Ref: 6975600787610

Cable USB-C to USB-C Toocki TXCTT3- LB03, 1m, FC 240W (blue)

USB-C to USB-C cable Toocki TXCTT3- LB03, 1m, FC 240W (blue).

Toocki introduces the TXCTT3--LB03, a USB-C to USB-C cable that combines modern design and unparalleled functionality. Its 1 meter length, blue color, and impressive PD 240W, make it an ideal choice for users who want maximum performance. This is a cable that transforms the way we experience charging and data transfer.

#### Fast charging with top-level compatibility

Thanks to the latest PD 3.1 technology, the Toocki TXCTT3--LB03 cable supports fast charging with up to 240W of power, allowing devices such as the Apple MacBook 16 to charge up to 68% in just one hour. Full compatibility with PD 3.1/QC 4+/SCP protocols ensures that the cable will work with a wide range of devices, guaranteeing versatility and reliability.

#### Durable and flexible for everyday use

Made of flexible and bend-resistant TPE material, the Toocki TXCTT3--LB03 cable is designed to withstand daily use. Its flexibility and durability make it the perfect companion for both travel and home use.

#### Unmatched data transmission speed

The TXCTT3--LB03 cable offers data transfer speeds of 480 Mbps, which means that files as large as 1 GB can be transferred in just 30

seconds. That's a speed that will revolutionize the way you transfer data between devices.

#### Advanced protection with E-marker chip

The built-in E-marker chip provides advanced protection and security. It controls the current and voltage, ensuring stable and safe charging of your devices. It's a solution that gives you peace of mind that your devices are protected while charging.

#### Core stability and performance

The use of an 8-wire tinned copper core ensures stability and data transmission performance. This is a guarantee that the Toocki TXCTT3--LB03 cable will serve you reliably for years to come.
