USB-C to USB-C cable Toocki TXCTT1- XX04-B2, 2m, FC 100W (pink)

Presenting the Toocki cable, which is the quintessence of modern design and advanced technology. The 2-meter long, in a unique pink color is not only a practical accessory, but also a stylish addition to your set of electronic devices.

#### Innovative technology for convenient use

Equipped with an E-marker chip, the Toocki cable guarantees safe and stable charging with up to 100W of power. It's the ideal solution for quickly renewing the energy of your devices. You will successfully use it with laptops, tablets and smartphones.

#### High durability and easy cleaning

The use of liquid silicone in the cable's construction guarantees its durability and resistance to daily use. What's more, thanks to its quick-return technology, the cable does not tangle and is extremely easy to store. The cable is also easy to clean - just wipe it with a damp cloth to remove surface dirt.

#### The perfect combination of performance and aesthetics

The Toocki cable is not only functional, but also a unique accent that will add character to any device. Its elegant design makes it stand out from standard cables.
