Haylou S35 ANC Wireless Earbuds (White)

Haylou S35 ANC Wireless Earbuds combine advanced technology, ease of use, and stylish design. They are perfect for those who value freedom of movement and comfort, as well as for those who don't want to compromise on sound quality. Equipped with Active Noise Cancellation (ANC), a powerful battery, intuitive controls, high-quality Bluetooth connectivity, and additional features, these earbuds are an excellent choice for any user.

Active Noise Cancellation (ANC)

Haylou S35 ANC Earbuds are equipped with advanced active noise cancellation technology. This allows you to enjoy your favorite music without external disturbances, which is particularly useful in noisy environments. ANC allows for full immersion in sound, regardless of the surroundings, ensuring a pure and flawless audio experience.

Durable Battery

With an impressive 600mAh battery capacity, these earbuds offer up to 60 hours of music playback without ANC and 40 hours with noise reduction activated. Additionally, the standby time is approximately 20 days. This gives users the freedom to use the earbuds for an extended period without the need for constant charging.

Intuitive Controls

Haylou S35 ANC earbuds are equipped with practical sound control buttons and a multifunctional button that allows easy management of music playback, phone calls, and track switching. Additionally, the second earbud features a touch panel, making operation even more intuitive and enjoyable.

Bluetooth Stability

Thanks to the latest Bluetooth 5.2 version, these earbuds provide a stable and fast connection up to 10 meters away. Bluetooth protocols such as A2DP, AVRCP, HFP ensure compatibility with a wide range of devices and guarantee high-quality audio transmission.

Versatile Usage

Haylou S35 ANC earbuds are not limited to wireless use only. With a 3.5mm audio input, you can also use them as traditional wired headphones. This is particularly useful when the battery is low or for devices without Bluetooth. Additionally, the built-in microphone ensures clear voice reception during phone calls.

Package Contents

- Earbuds x 1
