Havit TW910 wireless bluetooth headphones (black)

Now you can enjoy your favorite music and make unlimited phone calls wherever you are. The Havit TW910 wireless headphones guarantee clear and dynamic sound, with up to 8 hours of operating time. Thanks to Bluetooth 5.3 technology, you'll pair them seamlessly with any device, ensuring a reliable connection over a distance of up to 10 meters. Dual noise-canceling microphones ensure clear conversations by eliminating unnecessary ambient sound interference.

Discover a new sound quality

Regardless of the genre of music, the Havit TW910 headphones will provide you with sound that will sharpen your senses and allow you to fully immerse yourself in a magical land of sound. Equipped with 13-millimeter drivers, they perfectly capture every detail, allowing you to enjoy strong and powerful low-frequency sound and crisp and clear mid- and high-frequency sound.

Clear conversations anywhere

Nothing will get in the way of your conversations anymore! The headphones have built-in dual microphones that support advanced noise cancellation technology. This means that your phone conversations will be exceptionally clear and noise-free, even in noisy environments. This means you can enjoy unobstructed conversations no matter where you are.

Convenient control

The Havit TW910 headphones feature intuitive touch panels that make controlling music and calls extremely easy and convenient. With just a few taps, you can change a song or answer an incoming call!

User comfort at the highest level

Havit TW910 These are the perfect companion for traveling, working out, at work and while relaxing at home. Their ergonomic design ensures not only comfort, but also a perfect fit to your ears, eliminating the risk of falling or uncomfortable pressure. What's more, the lightweight design means you can wear them for long periods of time without experiencing discomfort.
