Havit KB874L Gaming Keyboard RGB (black)

Havit KB874L gaming keyboard (black)

Give yourself an edge in the world of gaming! The Havit KB874L keyboard features 67 keys for precise control over every movement, and thanks to its compact size, it won't take up much space on your desk. Equipped with spectacular RGB backlighting, KB874L will allow you to customize it according to your mood and preferences, creating a unique atmosphere during gameplay.

Perfect for gaming

Havit KB874L is the key to achieving success! The keyboard is equipped with 67 gaming-optimized keys, which means you have full control over every action in games. Their lifespan of up to 50 million clicks guarantees that it will accompany you for hours of intense gameplay. What's more, the fast and stable USB connection allows the keyboard to respond instantly to your commands, eliminating lag and ensuring smooth gameplay.

A luminous spectacle on your desk

Get ready for an unforgettable experience while playing your favorite games! The keyboard is equipped with colorful RGB backlighting with up to 20 available modes, so you can easily customize the ambience of your workstation to suit any situation. Whether it's intense gameplay or relaxing with a movie, KB874L will always provide the right visuals. The keyboard also allows you to adjust the brightness and speed of the color change, giving you full control over the atmosphere around you.
