USB-A 3.1 to USB-C Fast charging cable Lention CB-ACE-6A1M, 6A, 10Gbps, 0,5m (black)

Ref: 6955038347662

Lention 6A USB-A to USB-C cable, 0.5m (black)

With the Lention cable, you can charge your devices faster than ever before. With 6A and data transfer speeds of up to 10 Gbps, you can enjoy lightning-fast charging and hassle-free file transfers between devices. Robust workmanship and high-quality materials guarantee long-lasting use without risk of damage.

Even faster charging

Forget about the long wait for your device to fully charge! The Lention cable guarantees lightning-fast charging thanks to its 6A amperage. It also supports popular fast charging standards, including PD 3.0, QC 3.0 and QC 4.0. Now you can enjoy full power in no time!

Transfer files in the blink of an eye

Save valuable time transferring files between devices! Equipped with a USB 3.1 connector, the cable guarantees an impressive data transfer speed of 10 Gbps - that's up to 20 times faster compared to USB 2.0. This means you can transfer your favorite files, movies and music at speeds that previously seemed impossible.
