

Cable USB-C to USB-C Toocki TXCTT2-YS03, 1m, FC 60W (black)

Ref: 6975600781076

Cable USB-C to USB-C Toocki TXCTT2-YS03, 1m, FC 60W (black)

Toocki TXCTT2-YS03 USB-C to USB-C cable, 1m, FC 60W (black).

The Toocki TXCTT2-YS03 cable is a solution that combines power and versatility. Its 1 meter length and wide compatibility make it the perfect companion for your devices. It allows fast charging and data transfer while ensuring reliability and security.

Fast charging and full compatibility

With up to 60W of power, the TXCTT2-YS03 cable allows you to fully charge your 2019 MacBook in just 2 hours. This is ideal for users who appreciate speed and efficiency. What's more, the cable is compatible with a wide range of devices, including Samsung, Huawei, Xiaomi smartphones and most other models.

Smart chip for safe charging

The smart chip used not only ensures fast charging, but also safety. It controls the current and voltage, ensuring the stability and protection of your devices while charging. It's a solution that allows you to enjoy the full capabilities of your devices without worrying about damage.

Charging and data transmission in one

The Toocki TXCTT2-YS03 cable allows you to not only charge, but also transmit data at the same time. It transforms the way you manage

information between devices, making you more efficient.

Durable and durable

The cable is made of durable TPE material and aluminum alloy, making it flexible, bend-resistant and durable. Its extra-dense cable construction and reinforced connector make it a reliable companion for a long time.
