Remote Controlled RC Car with 1:14 Double Eagle Land Rover Defender Pickup E332-003

The 1:14 scale model of the Land Rover Defender D110 by Double Eagle is a faithful reproduction of this legendary vehicle. With 4 large wheels, it allows for smooth movement across various surfaces, offering authentic off-road driving experiences. It is equipped with functioning lights, allowing the fun to continue even after dark, and its control is facilitated by the included remote.

### Control in Your Hands

With the included remote, you gain full control over the vehicle. Whether you're driving on smooth surfaces indoors or rough terrain in the garden, the remote provides precise control in every direction. You can drive the car forward, backward, and turn right and left, opening up unlimited possibilities for fun.

### Perfect for Land Rover Fans

The Double Eagle car is not only a great toy but also a unique model for collectors. Its remarkable resemblance to the real Land Rover Defender D110 will surely delight any enthusiast. Moreover, it is compatible with LEGO bricks, allowing for even greater creativity and customization.
