Double Eagle 1:26 RC Remote Control Truck (Tanker) E582-003

The 1:26 scale RC truck from Double Eagle impresses not only with detailed exterior features but also with functionalities that will make your playtime even more realistic. Remote control via the controller gives you full control over the vehicle - you can drive, steer, and enjoy realistic sounds and lights. Moreover, with two speeds - high and low - you can adjust the driving pace to your preferences.

Realistic Play at Every Step

The vehicle is equipped with a working water pump, extendable hose, and pipe winding cart, allowing you to simulate realistic loading and unloading situations. With the ability to detach the trailer, the truck provides maximum control over maneuvering in any terrain. There are no limitations - you can make 90° turns, overcoming even the toughest obstacles!
