Stitch watch by KiDS Licensing

The watch, created by KiDS Licensing, is the perfect gift for little fans of Stitch's adventures between the ages of 4 and 12. It features an easy-to-read digital screen and will help your child learn to read the time. It also offers a timer function, so your kid can measure the time during their favorite activities and games. In addition, it is lightweight (23.3 g) and compact, and the adjustable strap will allow you to adjust it to the size of your child's wrist. Stitch's motif on the watch's dial and strap adds a unique charm - children will love the sight of their favorite hero on their wrist, which will further encourage them to wear this watch regularly.
