

Multi-Purpose Mount Kit Lefeet S1 Pro

Multi-Purpose Mount Kit Lefeet S1 Pro

Ref: 6973895610064

Lefeet S1 Pro Universal Mounting Kit for SUP Boards

With this universal mounting kit, you can attach your Lefeet S1 Pro underwater scooter directly under your SUP board. The accessory guarantees a stable, solid attachment and is very easy to install. It also stands out for its durability and resistance to damage. Thanks to it, you will easily equip your SUP board with a reliable drive and gain the ability to freely explore bodies of water without much effort. Enjoy dynamic swimming and get even more fun out of every water adventure! What's more, the kit is compatible with boards of different sizes.
