Frozen wired headphones Lexibook

Let your child immerse himself in a magical world of sound! Lexibook wired headphones will allow your child to listen to their favorite songs or fairy tales in high quality. Thanks to the precise 40mm drivers, they offer clear sound with a wide range of sounds. The long 1.2-meter cable provides freedom of movement, and the 3.5mm connector guarantees compatibility with various devices. What's more, the Frozen theme will transport your toddler straight to the winter kingdom of Elsa and Anna!

Magical sound for toddlers

Equipped with 40-millimeter drivers, the headphones deliver clear and rich sound that draws the little one right into the middle of favorite songs, stories or movies. Properly adjusted impedance and sensitivity guarantee comfortable and safe listening for kids. And with a wide frequency response of up to 24,000 Hz, even the finest sound details become clear and vibrant.
