Wireless adapter, Ottocast, AA82, A2-AIR PRO Android (black)

Wireless adapter, Ottocast, AA82, A2-AIR PRO Android (black)

Revolutionize the way you connect to your car with the A2AIR PRO wireless Android Auto adapter. With the Ottocast device, you'll enjoy reliable access to a variety of apps and features while driving without the need for impractical cables. NOTE: some car models may require a supporting cable to work with the adapter.

Seamless connectivity

The adapter provides reliable and fast transmission thanks to 5 GHz Wi-Fi and Bluetooth 5.0. Wireless integration with Android Auto means you can use a variety of apps and services hands-free, making driving safer. At the same time, the device prevents common problems associated with wired connections, such as damaging outlets or encroaching on driver space.

Ease of use

A2-AIR PRO is characterized by its ease of use. It offers features such as automatic connection at vehicle startup and the ability to disconnect with a single press of a dedicated button. In addition, software updates via OTA (Over-The-Air) are seamless and require no specialized knowledge.

Compact and widely compatible

The product can be easily stored or moved between different vehicles. With compatibility with 98% of vehicle models supporting Android Auto, the adapter provides a universal solution for almost any driver.

A range of possibilities

The adapter allows you to access a wide range of Android applications, such as navigation, music, podcasts or audiobooks, enhancing your travel pleasure. You don't have to limit yourself anymore! Thanks to the use of a 1.2GHz dual-core ARM Cortex A7 processor, the device maintains high performance even when you use demanding platforms. It also works 20% faster than its predecessor (Ottocast A2-AIR).
