

Car Charger Acefast B13, 53W, 2xUSB-C, with retractable cabl

Ref: 6974316282921

Car Charger Acefast B13, 53W, 2xUSB-C, with retractable cable (black)

Acefast B13 Car Charger, 53W, 2xUSB-C, with Retractable Cable (Black)

The Acefast B13 car charger is a versatile and efficient solution for drivers who need to quickly charge their devices while on the go. It provides safety, and with its retractable cable design, helps keep the car tidy. Equipped with 2 USB-C ports, 1 USB-A port, and a cable with two USB-C connectors, it allows convenient and fast recharging of multiple devices simultaneously with a power of up to 53W.

Construction and Materials

The charger is made of durable PC. Its compact design (68 x 50 x 50 mm) facilitates easy mounting in the car. It comes with a retractable cable with a length of 70 cm, with an additional 15 cm section, allowing for unrestricted device use while charging.

Performance

The charger offers three different ports: USB-A and two USB-C ports. The USB-A port delivers 18W of power, while the USB-C ports support 35W, compatible with PD, QC, FCP, and AFC charging standards. They can be combined in various configurations, enabling simultaneous charging of multiple devices.

Certifications and Safety

The product is certified by FCC, PSE, METI, UKCA, CE, RoHS, EAC, and has a UL2089 report, confirming its safety and energy efficiency

(ERP6 certificate). Additionally, the extended, anti-slip connectors ensure stable charging, even on uneven roads.

Organization and Functionality

The charger is equipped with a 2-in-1 retractable cable with two USB-C connectors, allowing for easy and convenient charging without cable clutter. This helps maintain order inside the vehicle and protects the wires from unwanted damage and loss.
