Watch with Walkie Talkie Paw Patrol Lexibook

Watch with Walkie Talkie Paw Patrol Lexibook

The Lexibook walkie talkie watch is the perfect gift for any little adventure lover. With the ability to communicate remotely and a variety of functions, the gadget provides hours of creative and educational fun. Let your child experience unforgettable moments with Paw Patrol characters! The set includes 2 pieces of the product, designed for children from 6 years old.

Fun with heroes

Encourage your child to spend time actively with Lexibook. The watch allows communication at a distance of up to 200 meters, making it perfect for outdoor play. Your toddler can feel like a real Paw Patrol hero, talking to his friends and carrying out rescue missions. Simple one-button TALK operation makes play intuitive and engaging.

Multiple functions

The product will also work well as a classic digital watch, displaying the time and date. It also allows you to set an alarm clock. As a result, it facilitates learning time management and introduces the child to the world of responsibilities in an attractive way. It also offers a flashlight function, which increases realism during rescue missions in the company of the Paw Patrol heroes.

Hassle-free charging

The built-in 150 mAh battery ensures long battery life. A USB-C cable is included for quick charging of the watch.

Safety first

When designing the Lexibook watch, the focus was on the safety of the little ones, so non-toxic materials were used. The product is RF compliant and provides protection against overheating and electromagnetic interference. So you can be sure that your child will not be in danger while playing.
