Earphones with bluetooth Frozen Lexibook

Lexibook invites every little one to discover a magical world of sounds. The wireless headphones with the theme of Frozen delight both in design and sound. The built-in microphone allows for hassle-free phone calls, Bluetooth 5.1 technology ensures a stable connection, and one charge guarantees up to 4 hours of uninterrupted use.

High quality sound

Lexibook headphones provide clear and rich sound that will satisfy even the most demanding young ears. The built-in microphone allows you to make phone calls without removing the equipment, so you can keep in touch with your child in any situation.

Touch controls

Intuitive touch panels allow you to manage music and calls. By touching the corresponding handset, you can turn the equipment on/off, skip to the next song, go back to the previous one or start playback from the beginning. The solution used allows the child to focus on the sound rather than on the complicated operation.

Wireless convenience

Bluetooth 5.1 technology provides a stable connection and excellent sound quality without unnecessary cables. With a range of up to 10

meters, you can move freely without losing the quality of the connection - as a result, the Lexibook headphones are perfect for active children.

Long runtime and fast charging

Each headphone is equipped with a powerful 25 mAh battery that provides up to 4 hours of uninterrupted music playback. Charging the equipment takes about 1.5 hours - so you don't have to wait long to go on another musical journey in the company of the characters of Frozen!
