

## Laminator A4 Deli E3893-EU

Laminator A4 Deli E3893-EU

Ref: 6921734938930

Deli E3893-EU A4 Laminator

Deli brand device allows you to laminate in A4 format various types of documents, photos, drawings, etc. Laminator will allow you to keep your photos in perfect condition, so they will not get damaged.

Convenient operation

The slider located on the right side allows you to set the laminating thickness from 80 to 110 microns and 120 - 175 microns. The device heats up quickly, after 5 min it is ready to work. It works quietly, and the LED indicator will inform you about the laminator working status.

Protect your documents

With the Deli brand device you can laminate, for example, certificates, contracts, credit cards or photos or drawings. By laminating, you protect your documents from damage, for example, water, fading, etc.
