ONIKUMA X15Pro Pink/Deer Horns Gaming Headphones

The ONIKUMA X15 PRO headphones are a fantastic choice for those who love cute gadgets - made of pink plastic and equipped with attachable deer horns, they will make a furore at online gatherings with friends, but they will also be a wonderful part of cosplay or a dope addition to everyday outfits. Show the world your inner charm with ONIKUMA X15 PRO!

Sound of the highest quality

Do you love listening to music or watching movies, series or anime with great sound quality? ONIKUMA X15 PRO are headphones equipped with 50mm speakers - their design uses graphene diaphragms so you can hear every word of your favorite singer or k-drama characters. Clear stereo sound of the highest quality will give you a lot of fun and enjoyment!

Your comfort comes first

The headphones are designed with your comfort in mind - you can wear them for a long time without feeling uncomfortable. The ONIKUMA X15 PRO have breathable pads made of eco-leather, which not only looks neat and is easy to clean, but also has a nice skin-friendly texture. The adjustable headband allows you to adjust the size of the headphones to meet the needs of users of different ages and head sizes. What's more, you can not only rotate the microphone 360 degrees, but also detach it and attach it again when you want to talk to someone again.

Enjoy excellent call quality

ONIKUMA's X15 PRO headphones have a noise-canceling microphone to make talking, laughing and recording easy and comfortable, and your voice clear and understandable. On the cable connected to the headphones is a panel with which you can adjust the volume, but also turn the microphone on and off.

Shine in any situation

The ONIKUMA X15 PRO light up in different colors as soon as you connect them to devices with a 3.5mm Micro Jack or USB, so you can joyfully twang while listening to music from your phone, playing on Nintendo Switch, Xbox, PC, Playstation and more! The unique design of the headphones will emphasize your character and personality on the town, while streaming or meeting with friends - show who you are with ONIKUMA X15 PRO today. The included deer horns will add to your charm and uniqueness in any place!

Versatility

Do you appreciate gadgets, but games are not your fave? The ONIKUMA X15Pro headphone is a device that is not only for gaming on PC, Nintendo Switch, Xbox or Playstation, but also allows you to watch movies, listen to music and make calls. With support for both Mini Jack and USB inputs, these headphones are extremely versatile, providing enjoyment for avid gamers, music lovers, movie buffs and those who like to chat with friends online!
