Ref: 6922794781573

Powerbank, Vention, FHLB0, 20000mAh, Micro-USB, USB-C, 2xUSB-A, 22.5W (black)

Powerbank, Vention, FHLB0, 20000mAh, Micro-USB, USB-C, 2xUSB-A, 22.5W (black)

Enjoy fast and convenient charging of your devices wherever you go. The Vention FHLB0 powerbank will allow you to charge 3 devices at the same time, and offers up to 22.5W of power. It is also extremely lightweight and handy - it can accompany you almost anywhere. Thanks to its 20,000 mAh capacity, you'll even use it several times before you need to plug it in. The kit also includes a USB-A to USB-C cable.

20,000 mAh capacity

Don't worry about having to charge the powerbank after each use. The 20,000 mAh capacity, for example, allows you to charge the iPhone 15 Pro about 4 times, and the Samsung Galaxy S22 Ultra about 3 times. With Vention you will say goodbye to limitations! What's more, the powerbank itself charges via a micro USB or USB-C port with up to 18 watts of power. This means you don't have to wait too long until it's ready to work again! Information about the current percentage charge of the product will provide you with the built-in display.

Charge 3 devices simultaneously

The powerbank is equipped with 2 USB-A output ports and a USB-C output/input port. This allows you to charge up to 3 devices at the same time, for example, your phone, tablet and wireless headphones. You no longer have to wait for one device to be ready for use

before plugging in another!

Fast charging

With Vention you will charge your necessary devices in no time and save time! The FHLB0 powerbank provides fast charging with up to 22.5 watts of power and supports standards such as QC3.0, PD3.0, FCP, SCP and AFC, for example. So you can charge your smartphone or TWS headphones in no time.

Refined in every detail

The powerbank is distinguished by its lightweight and compact design - its dimensions are only 140.2 x 68.2 x 28 mm. This allows you to have it always at hand - even on board an airplane. The device also ensures the safety of use - it is effectively protected against short circuit, overvoltage and reverse polarity, among other things. Do not be afraid of its rapid damage!

Universal compatibility

With the help of the Vention powerbank you can easily charge most commonly used devices. Among other things, the product is compatible with many popular smartphone and tablet models, as well as wireless headphones, smartwatches, Bluetooth speakers, desk lamps and more.

Included

Powerbank USB-A to USB-C cable (0.2 m)
