Kiwi Design Q31-2.1 head strap for Meta Quest 2 (white)

Enjoy long-lasting comfort during gameplay. Kiwi Design's head strap features an ergonomic design and is made of soft, skin-pleasing materials so you can focus fully on the game. What's more, it fits most cases, and keeping it clean won't be a problem for you.

Durable, thoughtful design

Thanks to the carefully selected eco-friendly polymer material, the strap is resistant to bending, so you can be sure that it will serve you for a long time. In turn, the top detachable strap and PU leather foam will be easy to clean keeping the accessory clean.

Comfort of use

The expanded and thickened pad on the strap not only provides stability, but also reduces pressure, which translates into exceptional comfort during use. In addition, the dedicated hinge allows you to freely rotate the headset up to 52°. This allows you to keep an eye on your surroundings without having to remove the headset completely, guaranteeing added convenience, especially for eyeglass wearers.

Portable design

The universal design of the strap allows you to conveniently store the accessory in different types of cases. As a result, you can easily carry both the headset and the strap in the same case for unparalleled convenience on the go. In addition, the product is adjustable and

fits heads ranging in size from 17.7 to 29.5 inches, ensuring a perfect fit for every user.
