

VR Cable Pulley System-6 pcs Kiwi Design V2-6 for Meta Quest VR Cable Pulley System-6 pcs Kiwi Design V2-6 for Meta Quest 2 Black

Suspended VR cable hook system 6pcs. Kiwi Design V2-3 for Meta Quest 2 / Quest 3 / Quest PRO black

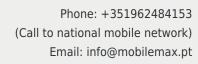

Take care of proper space organization, forget about tangled cables and enjoy more comfort while using your VR goggles Meta Quest 2, Meta Quest 3 or Meta Quest PRO. Kiwi Design's suspended hook system will allow you to optimally hang your cables from the ceiling, so you don't have to worry about stepping on them or tripping over them. The included circular directional connector will give you freedom of movement, and the silicone dampers eliminate unnecessary noise up to 30 dB. The individual accessory parts are made of flexible rubber and rotate 360°, allowing the cables to move smoothly - nothing will get blocked. The system is also very easy to install and allows you to adjust the length of the cables. The set includes 6 hooks.
