RC remote control car 1:14 Double Eagle (blue) Jeep Crawler Pro E340-003

Remote control RC remote control car 1:14 Double Eagle (blue) Jeep Crawler Pro E340-003.

Discover a remote-controlled model that takes fun to the next level with phenomenal precision and off-road performance. The remote-controlled Jeep Crawler Pro is the essence of power and excitement, designed for children over the age of 8 and all adult RC model enthusiasts. It guarantees the experience you expect from a real Jeep, reaching speeds that will take your breath away!

Thoughtfully designed 4x4 drive

Get ready for an authentic off-road experience! The Jeep Crawler Pro's independent suspension and advanced 4x4 drive provide unique stability and unmatched off-road capability. Reinforced, high-traction tires give you the edge in any terrain, guaranteeing safety and full control while driving.

Powerful engine power

Under the hood of the Jeep Crawler Pro lurks a high-performance brush motor, which, thanks to a powerful 7.4V/800mAh lithium battery, provides power and endurance for hours of fun. This motor not only accelerates the model to impressive speeds, but also delivers the powerful acceleration needed to overcome off-road challenges.

Realistic design

The stylish and aggressive design of the Jeep Crawler Pro attracts attention wherever you go. With every detail, from the realistic LED headlights to the authentic exterior styling, this model makes its presence known, highlighting its unique off-road nature.

Intuitive control

Remote control of the Jeep Crawler Pro is intuitive and fun, thanks to an ergonomically designed 2.4GHz controller that allows for uninterrupted fun. Buttons for forward and reverse, steering wheel and speed control provide full control of the vehicle, and an LED indicator on the controller indicates active communication with the vehicle, ensuring you're ready for any action!
