

Remote-controlled car Double Eagle (yellow) Jeep (Amphibious)

Ref: 6948061928694

Remote-controlled car Double Eagle (yellow) Jeep (Amphibious) E342-003

Remote control RC car with remote control Double Eagle (yellow) Jeep (amphibious) E342-003.

Discover boundless driving freedom with the Double Eagle Jeep E342-003 amphibious off-road vehicle. This remote-controlled vehicle is a true pioneer in the field of RC toys, offering unparalleled versatility both on land and in the water. Designed for children over 8 years old and adult RC model enthusiasts, this Jeep provides an unprecedented driving experience in all conditions.

An amphibious vehicle that can do anything

Designed for unlimited adventures, the Jeep Double Eagle can conquer any terrain and boldly set out to conquer the wetlands. Thanks to its unique waterproof design, the RC vehicle is ready for any challenge.

Reliable 4x4 drive

Whether it's a bumpy path or watery terrain, the innovative four-wheel drive provides unrivaled traction and control. The Jeep Double Eagle is synonymous with durability and strength, and its ability to climb gradients of up to 30° makes it a no-brainer.

Advanced technologies

Jeep won't surprise you by being too low on power! Equipped with a low-voltage warning system, it will immediately provide you with information when the charge level drops to minimum values. High-traction TPR tires are responsible for driving stability, and the

interference-free remote control system allows for trouble-free fun within a radius of at least 25 meters. Go on an adventure with the Double Eagle!
