Double Eagle (yellow) Off-Road Amphibious RC remote control car E345-003.

Discover boundless driving freedom with the Double Eagle Off-Road Amphibious Off-Road Car E345-003. This remote-controlled vehicle is a true pioneer in the field of RC toys, offering unparalleled versatility both on land and in the water. Designed for children over 8 years old and adult RC model enthusiasts, this Off-Road provides an unprecedented driving experience in all conditions.

An amphibious vehicle that can do anything

Designed for unlimited adventures, the Off-Road Double Eagle can conquer any terrain and boldly set out to conquer the wetlands. Thanks to its unique waterproof design, the RC vehicle is ready for any challenge.

Reliable 4x4 drive

Whether it's a bumpy path or watery terrain, the innovative four-wheel drive provides unrivaled traction and control. The Double Eagle Off-Road is synonymous with durability and strength, and its ability to climb gradients of up to 30° makes it a no-brainer.

Advanced technologies

The Off-Road won't surprise you by being too low on power! Equipped with a low-voltage warning system, it will immediately provide you with information when the charge level drops to minimum values. High-traction TPR tires are responsible for driving stability, and the

interference-free remote control system allows for trouble-free fun within a radius of at least 25 meters. Go on an adventure with the Double Eagle!
