

Gens Ace G-Tech 2200mAh 11.1V 45C 3S1P Battery with XT60 Plu

Ref: 6928493308967

Gens Ace G-Tech 2200mAh 11.1V 45C 3S1P Battery with XT60 Plug

Gens Ace G-Tech 2200mAh 11.1V 45C 3S1P XT60 battery pack

The Gens Ace G-Tech 2200mAh 11.1V 45C 3S1P XT60 battery is a highly efficient power solution that meets the needs of the most demanding RC users. With a capacity of 2200mAh and a voltage of 11.1V, this battery offers excellent performance for extended runtime and intense operation. A discharge rate of 45C enables high power output, which is essential for advanced applications such as racing and aerobatic flying. In addition, the battery weighs only 190 g and measures 105 × 34 × 23 mm, making it easy to integrate into various device models. Recommended charging rates are 1-3C, with the ability to charge up to a maximum of 5C, ensuring quick recovery to full performance without the risk of cell damage.
