

LaserPecker Premium engraving materials set (40 pcs)

Ref: 5906168433733

LaserPecker Premium engraving materials set (40 pcs)

LaserPecker premium engraving supplies set (40 pcs).

Surprise your loved ones with an original, personalized gift. The premium material set by LaserPecker includes 40 pieces such as pendants, necklaces and bracelets, which you can decorate with your own hands and gift to friends or family members. High-quality stainless steel was used to make them, which can be easily processed and guarantees excellent results. What's more, information about the recommended engraving parameters will make it easier for you to achieve the desired results. The set will work well with most laser engravers available on the market.

The set includes

10x stainless steel necklace
6x heart-shaped stainless steel pendant
8x stainless steel bracelet with braided band
6x adjustable stainless steel bracelet
10x adjustable polished stainless steel bracelet
