

Adapter Hub 4 in 1, INVZI, MH04, 4x USB 3.0 (black)

Ref: 0744252888084

Adapter Hub 4 in 1, INVZI, MH04, 4x USB 3.0 (black)

4-in-1 Hub Adapter, INVZI, MH04, 4x USB 3.0 (black)

With the INVZI USB 3.0 hub, you can enjoy data transfer speeds of up to 5Gbps, which is ten times faster than USB 2.0. This means that you will transfer a full-length HD movie in just a few seconds. This is ideal for anyone who needs fast and reliable data transfer, but note that the hub does not support charging.

More ports, more possibilities

Expand one USB 3.0 port to four additional ports and enjoy easily connecting all your favorite USB-A devices to your laptop or desktop. Whether you're using flash drives, mice, keyboards, speakers, game controllers or other devices, this hub supports OTG and is perfect for any setup.

Exceptional build quality

The INVZI hub features an advanced VL817 chipset with a thermal design that prevents surges, overloads, short circuits and overheating. The robust design ensures long-lasting use. What's more, the device is plug-and-play and hot pluggable, which means you can plug and unplug devices without rebooting your computer.

Wide compatibility

The INVZI Hub is compatible with a wide range of operating systems, including Windows 10, 8, 7, Vista, XP, Mac OS X 10.6-10.12 or later, and Linux 2.6.14 or later. So you can be sure it will work seamlessly with most of your devices, providing convenience and versatility of use.
