

## Magnetic Wireless Charger, INVZI, NVZAWC01, for Apple Watch

Ref: 0754418396056

Magnetic Wireless Charger, INVZI, NVZAWC01, for Apple Watch 5W MFi Certified with USB-C Port

Magnetic Charger, INVZI, NVZAWC01, for Apple Watch, 5W with USB-C port.

INVZI's MagFree Charger for Apple Watch is equipped with an original dedicated charging module, which guarantees secure magnetic attachment and accelerated charging, matching the performance of the Apple manufacturer's charger. With MFi certification, you can be sure you're getting a top-quality product.

### Fast 5W charging

With its MFi-certified Apple Watch module, the MagFree USB-C charger provides 5W fast charging, allowing you to charge your Apple Watch from 0 to 80% in just 45 minutes. Built-in overcurrent, overvoltage, short-circuit and overheat protection ensure safe and fast charging.

### Convenience without wires

Say goodbye to tangled cables and bulky wires. MagFree's wireless design with USB-C port offers versatile charging solutions. Charge your Apple Watch wherever you are - with a computer, tablet, power outlet or even a power bank.

### Perfect for traveling

The INVZI MagFree charger combines convenience with portability. The integrated charging solution with the Apple Watch lid means you

don't have to worry about losing the lid. It's ideal for active people who are always on the go.

#### Universal compatibility

INVZI's MagFree charger is a versatile charging solution for all Apple Watch models. Whether you have the latest Apple Watch Ultra 2/Ultra, SE, or models from the 1-9 series, as well as special editions like the Apple Watch Nike, Hermes or Edition, the MagFree charger will ensure that your watch is always ready to go.
