Memory card microSD 512GB Kingston Canvas Go Plus

512GB Kingston Canvas Go Plus microSD memory card

The microSD memory card Canvas Go! Plus, created by the renowned company Kingston, is an ideal choice for enthusiasts of creating videos in 4K resolution. The accessory is the perfect partner for sports cameras, drones and Android devices. With an incredible transfer speed of up to 170MB/s, it will speed up your work and let you focus on capturing unforgettable moments. Give vent to your creativity!

Record in 4K Ultra-HD quality

With U3 and V30 speeds, you don't have to worry about missed frames when recording videos in the highest quality. The Canvas Go! Plus allows you to record smoothly in 4K Ultra-HD resolution and create dynamic continuous shots on the move. The accessory will let you transfer and save Full HD and 4K UHD content faster, providing transfer speeds of up to 170MB/s. It's a tool you can always rely on.

Support for applications

The microSD card Canvas Go! Plus has an A2 Application Performance Class, which means faster application performance on your smartphone or tablet. In addition, an optional SD adapter is available, allowing you to use the card in devices that support the SD standard.
